

He Who Laughs Last Pre-generated PCs

Greetings!

Please find included eight player character sheets for use with the Cthulhu Dark scenario He Who Laughs Last. The group represents a wide selection of personalities from across the greater LA area, and offers enough variety for the scenario.

Many thanks to my friends who volunteered their pictures for this project – I hope it brings many hours of gaming delight, madness and death.

Cheers

– Dave Sokolowski (@SokolowskiDave)
